

TO THE FALL "IN TOUCH" VOL. 34 NO. 1 2019 EDITOR: LORETTA ROMANKEWICZ

First, let me introduce myself. I am Gail Wesolowski. I was elected President for the coming year. I have served on the chapter executive as Vice President for several years and it is now my privilege to serve as President. I joined the chapter in 2006, and have been involved with the group since. I look forward to meeting with you and listening to your ideas for changes in our chapter activities. The chapter is a great way to get together and socialize. It would be great to see more superannuates come out and get involved.

Summer is quickly coming to an end and school will be starting. Isn't it great we don't have to answer to THE BELL but just keep doing what we want to do? Hope you all had an amazing summer.

Last year ended with our annual bus trip when we went to Saskatoon. **June 27th** we left the Co-op parking lot and arrived at the Western Development Museum. After a delicious lunch, we had a tour through the museum. Later we went to the Barn Playhouse, north of Saskatoon, for dinner and a play 'Ed's Garage'. It was a very enjoyable day. Thanks, Patti, for all your work of organizing the trip.

Please consider this your invitation to 'To Heck With The Bell Breakfast' at the Chinook Golf Course, at 9:00 am on **Tuesday, September 3rd**. Thank you to Gwen Uher and Trish Avery for organizing the Pickle Ball and to Cindy Glen-Schultz for organizing the golf. It is also a chance to come and meet the new superannuates. Breakfast will cost \$10.00 and please RSVP by August 27th to Gail Wesolowski at 306-773-2112 or 306-750-7223 or email at gailwesolowski@hotmail.com. If you are interested in playing Pickle Ball contact Gwen Uher at 306-774-9866 and for golf please contact Cindy Glen-Schultz at 306-587-2526.

Thursday, **October 10th**, we will be joining the Shaunavon Chapter in Gull Lake to 'Meet the President' of the Provincial STS, Sunil Pandila. I hope you will mark this date on your calendar and join us. More info will follow.

The November meeting will be on **Thursday the 14th**. This gathering I have left open hoping members will have some new ideas for an activity.

Our Christmas gathering will be on **December 12th**, at the Elmwood Golf Course.

I am looking forward to meeting you at these events.

I can't give you a sure-fire formula for success, but I can give you a formula for failure: try to please everybody all the time."

=====

A sincere thank you and fond farewell to **Joyce Hoffman**, our former President, who served us well for 10 years and kept our organization alive and well. We wish her well in her new home in Regina and her continuing dedication to the provincial STS.

THE WESTERN CANADA SUMMER GAMES were a booming success, thanks to the staff, the marvelous volunteers (2000) and the great participants. Here are some of the amazing numbers that came out of Aug. 9 – 18, 2019:

There were 1301 athletes, 192 coaches and 81 managers; 28,600 meals were served and 1815 medals were presented. Alberta placed first (299) and Saskatchewan placed second (213).A

**SWIFT CURRENT CHAPTER ACTIVITY
REPORT - JUNE OUTING**

At 9 am on Thursday, June 27th, 37 superannuates and friends boarded the bus in Swift Current and made their way to Saskatoon. Upon arrival in Saskatoon, we were treated to a delicious catered buffet lunch prepared by the auxiliary of the Western Development Museum. The menu consisted of 2 choices of soup, a variety of sandwiches and veggies, along with various desserts (including PIE). After lunch we were broken into small groups for a tour of the museum. The groups

were guided by very knowledgeable and enthusiastic museum volunteers. The tours which the museum offer certainly bring to life the theme of "Boomtown", representing a pioneering community of the circa 1910 era.

Following the museum experience, some time was spent at the Lawson Heights Mall relaxing, and shopping (for those who needed retail therapy).

Late afternoon, our group was transported to "The Barn Playhouse" in the Martensville area. Attendees purchased their suppers from the food kiosks situated on the grounds (a variety of delicious choices again), and enjoyed their meals under the open sky while listening to live old time music.

The after supper performance of "Ed's Garage" was enjoyed by all. The main character, Ed, has the ability to repair a number of problems - both mechanical and people issues with the attempted solutions often leading to unexpected collateral events. This light-hearted comedy was thoroughly entertaining and enjoyed by all.

After the performance, we boarded the bus and headed for home and arrived back in Swift Current at about 1 am.

(Compiled and Submitted by Mel Friesen on behalf of the Chapter's Activity Convenors)

"Anyone can hold a grudge, but it takes a person with character to forgive. When you forgive, you release yourself from a painful burden. Forgiveness doesn't mean what happened was OK, and it doesn't mean that person should still be welcome in your life. It just means you have made peace with the pain and are ready to let it go."

(This is translated from the original message)

It is possible that on entering this church, you may hear the Call of God. On the other hand, it is not likely that He will contact you by phone. Thank you for turning off your phone. If you would like to talk to God, come in, choose a quiet place, and talk to Him. If you would like to see Him, send Him a text while driving.
