VOLUME 34 NUMBER 1 FALL, 2020

In Touch Report August 11, 2020

Summer is passing quickly; hope everyone is ready for "To Heck With the Bell". I think most of us are very happy to be on this side of the bell, especially this year.

There are a total of 17 new superannuates this year in the South West. I do hope you will join in chapter activities and events.

The Executive met and decided to go ahead with To Heck with the Bell this year. It will be different from other years, as we have to follow safety rules. We are asking you to confirm attendance in your comfortable bubble, of no more than 6, so you can sit together. The breakfast will be served. We will have a short meeting following the breakfast. We would like to pass our new constitution and discuss how we would like to proceed with events during the year. I do hope you will plan to attend. Golf and Pickle ball will follow after the meeting. Of course, we also want to honour our new superannuates.

The wine tour, Okanagan Splendor, has not yet been cancelled, but most of the local people are not going. The trip will be offered next year, so we are back to next year country.

Provincial activities have all been cancelled except curling which is scheduled for November 16-18 hosted by the Yorkton Chapter. The provincial AGM is scheduled for November 2-4 but at this

time alternatives are being checked out. The STS office is closed and can only be contacted by phone and email.

Hope you had a great summer.

Gail Wesolowski,
President of the Swift Current CHAPTER

SMILE: You will make someone's day.

It has been brought to my attention that some people consider it an invasion of privacy to have their birthday posted. If you would like your birthday removed, please let me know.

Sincere sympathy to Linda Viguera's whose brother passed away and to others who have lost a loved one that I don't know about.

Heartfelt get well wishes to those who are suffering health challenges. May good health return so you can enjoy Fall.
