President's Report Fall 2023

Summer is coming to an end, and the new school year will begin. Fortunately, we have passed those days and can continue to do what we like, not controlled by the bell. However, we do think of and are concerned for the issues teachers face.

There are several new superannuates who have signed up as chapter members; thank you. I hope the others will consider joining. If you haven't joined and would like to, contact the STS office at 306-373-3879 weekdays 8:30-12:00, or email sts@sts.sk.ca. Also, the Blue Cross Medical Plan has a 60 day window to sign up with no medical information needed.

On Thursday, July 19, the Executive met to discuss and plan the upcoming year. Please note the dates and activities in the Year at a Glance section.

To Hell with the Bell is our first activity on Thursday, **September 7**. Please note this is a day later than usual; turns out there is a golf tournament booked for the Wednesday. Hope this does not affect your plan to attend. A golf Tournament and a historical downtown walk will follow breakfast. It is also a great opportunity to meet up with former colleagues.

This event is followed by our **October 12th** gathering at **the Swift Current Museum**. Hopefully, the program will be a presentation by the 2 local students who were Science Fair winners and will share their trip to Nationals in Edmonton. Final details will be sent out before the event.

On November 9th, Chris Garner and Riley Sharp will make a presentation on **the local WWII Regiment**. This will be held at the Swift Current Legion at 3:00 pm with drinks and appetizers. I do hope you will mark these dates on your calendar and plan to attend.

Emails are sent out prior to these events. Unfortunately, **some members are not receiving the emails**, especially those on sasktel.net. Please check your spam to see if the email went there. The other option is to phone Sask Tel and ask for the email technician and they will help you reset your settings. If you are not receiving emails, please contact me.

It is time for nominations for the **Distinguished Chapter Award**. If you know of a Chapter member who has contributed to the chapter and the community, please nominate them for this award. There will be nomination

forms at the breakfast or you can download from the website.

Provincially there are some recreational events happening:

Pickleball Tournament September 23 at **Dinsmore**

Kaiser Tournament in the **Wakaw** Chapter October 12

The **Presidents' Meeting** is in Saskatoon on October 26.

Also, Provincial executive would like to remind members that: **Truth and Reconciliation Day is September 30** and The **International Day of the Older Person is October 1**. Please take part in local events.

A group of us meet every Thursday morning at 9:30 for coffee/brunch at the Chinook restaurant. Please join us when you can.

Enjoy the rest of your summer and we will meet again in September.

Gail Wesolowski, President of the SC CHAPTER

June Outing

Our June outing was quickly arranged for June 14, 2023. We rented a van which accommodated our 12 participants. Len Gatzke piloted the van with Jim Spencer as co-pilot. Our first venture was to see the north end of Duncairn Dam. We were shown where the water is channeled towards Swift Current. Our travels continued to Cadillac, Saskatchewan. We toured around looking at all the highlights and then stopped at the Hotel for a tasty lunch.

We continued to Scotsguard, Saskatchewan where Keith and Bev Hagen reside. They guided and gave historical information through their museums of the town that once was. Some original buildings still exist as well as replicas of what was destroyed by fire. Keith showed us many keepsakes of the town and area churches housed in the museums. The main feature was his collection of restored vehicles at different stages. They have shown and driven in many Car-shows and parades across the province. Another item of interest was the tar paper house replica of the one his grandparents had. Many items inside were originals. To end our tour we were treated to ice tea on their spacious deck.

An entertaining day that was enjoyed by all. These short day trips may be our future outings.

Patti Gatzke
